

Health & Safety Hazards and Risks

All works indicated on this drawing are to be carried out by a Contractor competent to undertake the works.

Specific hazards relating to the works are indicated on this drawing.

These are in addition to the normal hazards and risks faced by a competent person carrying out work when dealing with the types of works indicated on this drawing.

General Notes

1. Do not scale from this drawing.
2. All dimensions are in millimetres unless stated otherwise.
3. Prior to commencing any works all relevant dimensions & site features are to be verified against contractual information.
4. All proprietary components are to be installed in accordance with the Manufacturer's current written instructions.
