Morning Caroline,

I have had a look at the tree in Pentrebach house, the tree has been pruned before basically to the same extent as the proposed re-trimming line, so I have no objections to the works.

Thanks
Andrew

Hi Andrew

No problem. On this one, it is probably easier for me to send you the documents via email. I think you have seen most of them already (minus the pictures that Jonathan sent to me directly).

To make it easier in the future, I have attached a guidance note which takes you through the steps to get to the documents. If you do have any problems though, just send me or Huw an email and we can send you a direct link.

Thanks

Caroline

Morning,

Can you help me please?

How do I find this application? I click on the link and it goes to the planning portal but how do I find p/22/0278?

Thanks
Andrew
