INFORMATIVES

1. This planning permission does not provide consent to undertake works that require a European Protected Species (EPS) licence.
All bats and their roosts are protected under UK and European legislation. It is an offence to deliberately kill, injure, capture or disturb a bat or to recklessly damage or destroy their breeding sites or resting places.

If works are planned on a building/tree in which bats are found to be roosting, Natural Resources Wales (NRW) must be contacted. on 0300 065 3000 or at <https://naturalresources.wales/permits-and-permissions/species-licensing/apply-for-a-protected-species-licence/bat-licences/?lang=en>.

If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work should cease and NRW should be contacted immediately.

Under these circumstances, an EPS licence is likely to be required to undertake the works within the law.

NOTES

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development, or to grant permission subject to conditions, he/she may appeal to Planning & Environment Decisions Wales in accordance with Section 78(i) of the Town and Country Planning Act 1990, within SIX MONTHS of the receipt of this Notice. (Appeals must be made on a form which is obtainable from Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ). Planning & Environment Decisions Wales has the power to allow a longer period for the giving of notice of appeal but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. Planning & Environment Decisions Wales is not required to entertain an appeal if it appears to it that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the development order, and to any directions given under the order.
- (2) If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by Planning & Environment Decisions Wales, and the owner of the land claims that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he/she may serve on the Council in which the land is situated, a purchase notice requiring the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
- (3) In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by The National Assembly for Wales on appeal or on a reference of the application to it. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

N.B. INFORMATIVE

Building materials delivered to the site of application shall not be deposited nor stored on the highway unless the prior consent of this Authority's Engineering Manager has been obtained.
