Dear Mr Johanson

RE: Discharge of condition 12 (Construction Method Statement) of planning Permission P/21/0416

I write in regards to the above mentioned application and the supporting information provided, which includes a Construction Method Statement Report with supporting appendices.

Condition 12: Construction Method Statement

The submitted report and supporting appendices have been reviewed by our Highway Engineer and Environmental Health Officer and both confirmed they are satisfied with the measures to be put in place. Accordingly, the requirements of conditions 12 of planning permission P/21/0416 can now be discharged, subject to the works being completed in accordance with the approved details. I have enclosed an updated planning permission, which reflect this decision.

Yours sincerely
