

Proposed North Elevation
1 : 200

Proposed East Elevation
1 : 200

Proposed South Elevation
1 : 200

Proposed West Elevation
1 : 200

Construction (Design and Management) Regulations
Design risk assessments are carried out throughout the design stage of this project in accordance with company procedures and manuals. Where reasonably possible all areas of risk applicable to design and end use of the construction have been identified and then eliminated, mitigated or recorded as a residual risk. Note that general risks of which a competent designer or contractor should be aware are not included. This drawing is to be used in conjunction with the Pre-construction Information and all related documents prepared in accordance with the current Construction (Design and Management) Regulations 2015 and all applicable Health and Safety legislation as currently amended.

Legend

- Metal insulating sandwich panel cladding systems
Ss_25_20_14_54
 - Facing Brickwork
