Subject: RE: P/25/0309 [NOT PROTECTIVELY MARKED]

Conditions:

- No works whatsoever shall commence on site until full engineering design, details and calculations of any structures that are 1.0m above ground level and within 1.0m of the adopted highway/footway have been submitted and approved in writing by the local planning authority
- Prior to any works commencing on site the applicant must enter into a highway agreement with the local highway authority. As the works are being carried out on/adjacent to the adopted highway. As such the applicant is made aware that the existing footway width must be maintained and must be resurfaced for the length of the proposed site works.
