Dear Miss Cuthbert

RE: Discharge of condition 8 (External Lighting) of planning permission P/24/0133 relating to an extension to the Travel Inn.

I write in regard to the above mentioned application and the supporting information provided, which includes a Lighting Report (Ref 210-582-001 Rev C) and elevation plans.

Condition 8 – External Lighting

The submitted lighting report appropriately demonstrates the proposed lighting would not adversely impact on the dark corridors linking the proposed bat boxes to the surrounding environments. Additionally, appropriate lighting is proposed with colour temperatures not exceeding 2700k. In this regard, the Council's Ecologist has reviewed the information provided and is satisfied with the proposal.

Accordingly, the requirements of condition 8 of planning permission P/24/0133 can now be discharged, subject to the works being completed in accordance with the approved details. I have enclosed an updated planning permission, which reflects this decision.

Yours sincerely

JUDITH JONES
