

The Ground Floor Plan shows a large building with several distinct sections. At the top, there is a 'RAMP' and a 'WAREHOUSE ENTRANCE'. To the right of the entrance is a 'STORE' and a 'CORRIDOR' leading to a series of 'OFFICE' spaces, a 'PANTRY', and a 'TOILET'. The main body of the building is divided into three large warehouse sections: 'WAREHOUSE - PART 3 - 114 SQ.M', 'WAREHOUSE - PART 2 - 722 SQ.M', and 'WAREHOUSE - PART 01 - 1296 SQ.M'. A central 'CORRIDOR' runs through the middle of these sections. To the left of the main warehouse area is a 'STORE AREA 464 SQ.M' and an 'ABOVE STORE - SHOWROOM (MEZZANINE FLOOR)'. At the bottom, there are two 'PORCH' areas: 'PORCH 1 126 SQ.M' and 'PORCH 2 35 SQ.M'. A 'STORE ENTRANCE' is located near Porch 2. The plan also includes various dimensions and a scale bar.
