The image contains two hand-drawn architectural sketches. The top sketch is a cross-section of a building, showing the roof structure, insulation, and interior layout. The bottom sketch is a facade drawing of a building with multiple windows and a central entrance.

Top Sketch (Cross-section):

- Roof:** Labeled "100mm Rockwool Battens/insulation" and "100mm Rockwool in free lofts".
- Walls:** Labeled "DRAINING", "100mm FRC Insulation", "boarded plasterboards to external walls", and "New windows to be 'casual' frame double glazed units".
- Floor:** Labeled "11mm FR carpet" and "Play".
- Structure:** Labeled "SUSPENDED ceiling" and "100mm Rockwool Battens/insulation".
- Roof Slope:** Labeled "11mm FR carpet" and "Play".

Bottom Sketch (Facade):

- Roof:** Labeled "Asphalt roof above sloping housing and dormered flats".
- Windows:** Labeled "Double glazing units" and "Double glazing units with white frame".
- Entrance:** Labeled "New door and frame to be installed".
- Roof Slope:** Labeled "11mm FR carpet" and "Play".

[illegible]

Architectural section drawing of a building. The drawing shows a vertical shaft or core. At the top, there is a roof terrace with a sloped roof and a small structure labeled "Roof". Below the roof terrace, the shaft continues downwards. On the left side of the shaft, there is a section labeled "EX. SOIL PIPE". The shaft is shown in cross-section, with hatching indicating different materials or structures. The drawing is a technical architectural sketch.

Architectural drawings of the existing building, including a perspective view, a section view, and a floor plan.

The perspective view shows the building's facade with a gabled roof and multiple windows. The section view shows the building's profile, including the roofline and the location of the existing staircase. The floor plan shows the layout of the existing first floor, including the staircase and various rooms.

Labels for the drawings include:

- existing se elevation
- existing elevation to williams terrace ne.
- existing first

existing elevation to bargoed ferrate

S.

Architectural drawings of a house. The top drawing is a front elevation showing a house with a gabled roof, a central entrance with a small porch, and a large window to the right. The text 'elevation' is written vertically to the left of the drawing. Below the drawing, the text 'House Plan for a small house' is written. The bottom drawing is a floor plan showing a house with a central entrance, a living area, a dining area, a kitchen, and a bathroom. The text 'up' is written in the living area, and 'down' is written in the kitchen area.
