17th September 2026

FAO: Rebecca Owens

Dear Sir/Madam,

Re: Discharge of conditions 5 (historic environment mitigation) and 9 (Landscape and Ecological Management Plan) of planning permission P/26/0041 at The Rose Retreat Spa, Cyfarthfa Park, Merthyr Tydfil
Pl.App.No.: P/26/0193

Thank you for consulting us in regards to the above discharge of condition.

We note the submission of a *Written Scheme of Investigation for Archaeological Monitoring and Recording at Rose Retreat Spa, Cyfarthfa park, Merthyr Tydfil*, which has been prepared by Archaeology Wales (Reference Project No: 3323, dated September 2026) on behalf of the applicant in order to meet condition 5 (historic environment mitigation) attached to the above planning consent.

The scheme meets current professional archaeological standards and is therefore acceptable.

However, we recommend that the applicants should not be fully discharged from their responsibility to ensure that the work is carried out until the completion of all of the archaeological work, which will be confirmed when the final report is submitted to you.

If you have any questions or require further advice on this matter, please do not hesitate to contact us.

Yours faithfully,

H. Bowden
