

MERTHYR TYDFIL COUNTY BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990 (as amended)
The Town and Country Planning (Development Management Procedure)
(Wales) Order 2012 (as amended)

FULL PLANNING PERMISSION

To: Merthyr Tydfil CBC c/o Mr Richard Robinson Merthyr Tydfil CBC Unit 5 Triangle Business Park Pentrebach

WHEREAS you submitted an application on the 5th August 2022 to develop: Maestaf Street Bridge Pentrebach short particulars of the application being as follows:-

Name of the Applicant

Merthyr Tydfil CBC
Unit 5
Triangle Business Park
Pentrebach
Merthyr Tydfil

Description of Proposed Development

Replacement bridge with handrails and associated engineering works and provision of culvert (Full)

The Council in pursuance of its powers under the above mentioned Act and Order hereby **GRANTS PERMISSION** for the carrying out of the proposed development as described above and in accordance with the application and plans (if any) submitted with the application subject to compliance with the following conditions.

CONDITIONS

Please see attached.

Date: 28th September 2022

Signed:

(Director of Neighbourhood Services)

**IT IS IMPORTANT THAT YOU READ
THE NOTES ATTACHED TO THIS FORM**

CONDITIONS

- 1 The development shall begin not later than five years from the date of this decision.

Reason - To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 The development shall be carried out in accordance with the following approved plans and documents:

Drawing number 002-SC-01 Rev 01 (Site Clearance) received on 08.08.2022

Drawing number 004-WW-01 Rev 01 (Watercourse Works) received on 08.08.2022

Drawing number 005-GD-01 (Guardrail Detail) received on 08.08.2022

Drawing number 003-GA-01 Rev 02 received on 17.08.2022

Preliminary Ecological Appraisal July 2022 carried out by Redstart and received on 08.08.2022

Reason -To ensure compliance with the approved plans and clearly define the scope of the permission.

- 3 No development shall commence until details of a method statement and risk assessment for the protection of the structural condition of the strategic water mains crossing the site has been submitted to and approved in writing by the Local Planning Authority. The approved protection measures shall be implemented in accordance with the approved details prior to the commencement of the development and shall be retained at all times for the duration of the approved operations including the restoration works.

Reason - To ensure that the proposed development does not affect the integrity of the public water supply system in the interests of public health and safety.

Condition 3 Discharged on 02.02.2023 - App. No. P/22/0319

- 4 Prior to works commencing on site, details for the provision of three bat boxes and two bird boxes together with details of their location within the site, shall be submitted to and approved in writing by the local planning authority. The bat and bird boxes shall be installed in accordance with the approved details before the new bridge is brought into beneficial use.

Reason - To provide biodiversity and environmental enhancements in accordance with Policy EnW1 of the Merthyr Tydfil Replacement Local Development Plan.

Condition 4 Discharged on 02.02.2023 - App. No. P/22/0319

- 5 **No development or site clearance shall take place** until there has been submitted to and approved in writing by the Local Planning Authority a scheme of landscaping. The scheme shall include indications of all existing trees (including spread and species) and hedgerows

on the land, identify those to be retained and set out measures for their protection throughout the course of development.

Reason - To ensure that the new development will be visually attractive in the interests of amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

Condition 5 Discharged on 02.02.2023 - App No. P/22/0319

- 6 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner; and any trees or plants which within a period of 5 years from the completion of the development die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

Reason - To ensure that the new development will be visually attractive in the interests of amenity and to accord with Policy SW11 of the Merthyr Tydfil County Borough Council Replacement Local Development Plan.

- 7 No surface water and/or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

Reason - To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment.

INFORMATIVES

1. This planning permission does not provide consent to undertake works that require a European Protected Species (EPS) licence.

All bats and their roosts are protected under UK and European legislation. It is an offence to deliberately kill, injure, capture or disturb a bat or to recklessly damage or destroy their breeding sites or resting places.

If works are planned on a building/tree in which bats are found to be roosting, Natural Resources Wales (NRW) must be contacted. on 0300 065 3000 or at <https://naturalresources.wales/permits-and-permissions/species-licensing/apply-for-a-protected-species-licence/bat-licences/?lang=en>.

If work has already commenced and bats are found, or if any evidence that bats are using the site as a roost is found, work should cease and NRW should be contacted immediately.

Under these circumstances, an EPS licence is likely to be required to undertake the works within the law.

2. All birds, their nests and eggs are protected by law under the Wildlife and Countryside Act 1981 (as amended) while they are breeding.

If works to any trees, hedgerows and/or other nesting bird habitat (including buildings with suitable features) are to be undertaken, they will take place outside of the bird nesting season. If the works must be undertaken during the nesting season (generally from 1st March until 31st August, although birds are known to nest outside of these dates in suitable conditions), a breeding bird survey will be required and must be carried out by a suitably qualified ecologist. Any active nests identified will be protected until the young have fledged.

Where a Schedule 1 species (as defined in the Wildlife and Countryside Act - <https://www.legislation.gov.uk/ukpga/1981/69/schedule/1> is involved, compensation for impacts, e.g., loss of nesting sites, will be devised and implemented.

3. The developers attention to drawn to the comments and advice received from Welsh Water during the application process.
4. The applicant/developer attention is drawn to the comments of the Authority's Environmental Health Section regarding the potential problem to neighbouring properties arising from the creation of noise and dust during the construction process. The applicant/developer is advised to contact the Environmental Health Section prior to the commencement of development to agree an appropriate method of noise and dust suppression.

Additionally, waste generated on site should be disposed of in a suitable manner and not burnt.

5. The developers attention is drawn to the comments received from Natural Resources Wales (NRW) during the application process.

The developer should be aware that the site falls within an area which is at risk of flooding. Additionally, due to the proximity of the site to watercourses, all works at the site must be carried out in accordance with GPP5 and PPG6: 'Works and maintenance in or near water' and 'Working at construction and demolition sites' which are available on the following website: <http://www.netregs.org.uk/environmental-topics/pollution-prevention-guidelinesppgs-and-replacement-series/guidance-for-pollution-prevention-gpps-full-list>

During the construction phase the developer should take any precaution to prevent contamination of surface water drains and local watercourses. Oils and chemicals should be stored in bunded areas and spill kits should be readily available in case of accidental spillages.

For further guidance please refer to GPP 5 and PPG 6 at the following link:
<http://www.netregs.org.uk/environmental-topics/pollution-prevention-guidelines-ppgs-andreplacement-series/guidance-for-pollution-prevention-gpps-full-list/>

NOTES

Your attention is drawn to the following:-

Appeals to the Planning & Environment Decisions Wales:

- If you are aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Planning & Environment Decisions Wales under Section 78 of the Town and Country Planning Act 1990 (as amended).
- If you want to appeal, then you must do so within **six months** of the date of this notice, using a form which you can get from Planning & Environment Decisions Wales, Crown Buildings, Cathays Park, Cardiff, CF10 3NQ. Alternatively you can use Planning & Environment Decisions Wales website (www.gov.wales/planningappeal) to complete your appeal.
- The Planning & Environment Decisions Wales can allow a longer period of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Planning & Environment Decisions Wales need not consider an appeal if it seems that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any Development Order and to any directions given under a Development Order.
- In practice, the Planning & Environment Decisions Wales does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by them.

Purchase Notices:

- If either the Local Planning Authority or Planning & Environment Decisions Wales refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonable beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a Purchase Notice on the Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 (as amended).

PLEASE NOTE: THIS NOTICE RELATES ONLY TO A PLANNING DECISION AND DOES NOT RELATE TO OTHER LEGISLATION INCLUDING ANY LEGISLATION UNDER:

BUILDING REGULATIONS
LISTED BUILDING LEGISLATION
HIGHWAY LEGISLATION

IF PLANNING PERMISSION HAS BEEN GRANTED IT IS ADVISABLE TO ESTABLISH WHETHER ANY OTHER FORM OF CONSENT IS REQUIRED AND TO OBTAIN SUCH CONSENT BEFORE COMMENCING DEVELOPMENT

Please quote the application number in all correspondence.
