Dear Sir

Re: Replace existing timber front door, frame and side screens with an exact copy in laminated timber to match original in style and colour. (Listed Building Consent): 1 Vulcan Court Vulcan Road Merthyr Tydfil. Pl.App.No.: P/26/0153.

Thank you for consulting us regarding this listed building consent application.

Information in the regional Historic Environment Record shows that this part of the building is the original Vulcan House constructed for both domestic and industrial use in c1820-30 and is a Grade II Listed Building (Cadw ref. 11389). The list detail notes the building as having been derelict following other uses, with the door having previously been replaced as noted as blocked in 2006.

The area is within the Merthyr Tydfil Registered Historic Landscape of Outstanding Historic Interest, in character area HLCA002: Williamstown, Cae-Pent-Tywyll, Tydfil's Well and Morgan Town. However, we note there are no major changes to the elevation physically or visually, and it is unlikely that archaeologically significant material would be encountered during the course of the proposed work.

Consequently, as the archaeological advisors to your Members, we have no objections to the positive determination of this application.

If you have any questions or require further advice on this matter please do not hesitate to contact us.

Yours faithfully

Judith Doyle
