Annwyl Syr/Madam/Dear Sir/Madam,

BWRIAD/PROPOSAL: OUTLINE PLANNING PERMISSION FOR THE CONSTRUCTION OF 1 PAIR OF SEMI DETACHED HOUSES

LLEOLIAD/LOCATION: LAND REAR OF 16-24 CHESTNUT WAY, GURNOS, MERTHYR TYDFIL, CF47 9SB

Thank you for consulting Cyfoeth Naturiol Cymru (CNC)/Natural Resources Wales (NRW) about the above, which we received on 10 April 2025.

We have no objection to the proposed development as submitted and provide the following advice.

Foul Drainage

No information has been provided regarding the disposal of foul waters from the proposed development. We refer you to Welsh Government Circular 008/2018 on the use of private sewerage in new developments, and specifically paragraphs 2.3-2.5, which stress the first presumption must be to provide a system of foul drainage discharging into a public sewer. We advise you the proposed development is in a publicly sewered area.

Please consult us again if foul sewage from the proposed development is to be disposed of by a private sewerage system.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir / Yours faithfully,

Sarah Lund
