Dear Sir

Grid Ref: SO061055 306305 205640

Site: Pen-coedcae Farm A4060 Leos Roundabout To Mountain Hare cont.. Merthyr Tydfil
Development: Siting of a rural enterprise dwelling (3 years) with dependent relative's annex and the erection of a general purpose livestock building and associated works

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

We would request that if you are minded to grant Planning Consent for the above development that the **Conditions and Advisory Notes** provided below are included within the consent to ensure no detriment to existing residents or the environment and to Dwr Cymru Welsh Water's assets.

Since the proposal intends utilising an alternative to mains drainage, we would advise that the applicant seek advice from Natural Resources Wales and or the Local Authority Building Control Department / Approved Building Inspector as both are responsible to regulate alternative methods of drainage.

However, should circumstances change and a connection to the public sewerage system/public sewerage treatment works is preferred we must be re-consulted on this application.
