LEGEND:

- Ownership Boundaries
- Application Boundaries

Note: Site Ownership lines drawn in red have been interpreted as accurately as possible from the following Land Registry drawings:

Title numbers **CYM486969**, **CYM424610**, **CYM414679** - all of which were obtained from Ordnance Survey map reference **SO0507NW**.
Title number **CYM415344**, which was obtained from Ordnance Survey map reference **SO0507SW**.

The accompanying and preceding notes from the Land Registry drawings state that the title plan shows the general position, not the exact line, of the boundaries. It may be subject to distortions in scale. Measurements scaled from this plan may not match measurements between the same points on the ground. Therefore, as such, the site ownership lines are only interpreted and are not absolute representations.
