Hello Kate,

I have reviewed the application and recommend the following conditions:

Reason: In the interests of local amenity and to avoid statutory nuisance.

2. All reasonable precautions shall be taken to reduce the impact of dust. Effective dust control measures, such as 'damping down' following cutting or other dusty operations shall be employed at all times.

Reason: In the interests of local amenity and to avoid statutory nuisance.

3. Waste generated on site should be disposed of in suitable manor and not burnt.

Reason: In the interests of local amenity and to avoid statutory nuisance

Kind regards
