

Planning Permission is Requested

Octopus Cosy 6, Air Source Heat Pump installed at my property
11 River Avenue, Trelewis, TREHARRIS, Merthyr Tydfil County. CF46 6EF

This application is in view of the section, "No part of the air source heat pump can be installed within three metres of the boundary of the property".

My application is for a heat pump to be installed within three meters of my and my neighbour's boundary and so, I believe it appropriate to seek your approval and Planning Permission for my Planning Application, to have an Octopus Cosy 6, Air Source Heat Pump installed at my property.
