Dear Sir/Madam

Chris Marshall – Use of The Yard, South of Unit 7, EFI Industrial Estate

Mr Chris Marshall owns the land to the south of the EFI units and is known locally as The Yard which I used to own many years ago. This land has been used continually by several local businesses for in excess of 15 years and the uses have included a lorry /haulage park, parking of cars, storage of reclamation materials and the storage of skips. Mr Marshall continues to look after the site and use it for his business.

Yours faithfully

Mr David Price.

With regards to the Yard/Quarry on EFI Industrial Estate, I can confirm it has been used as a Haulage Yard, Storage Yard for cars, vans, etc for more than 10 years.

We have been using EFI Industrial Estate to recover Cars.

Yours Faithfully

Dear Sir/Madam, RE: Chris Marshall

I am writing to confirm that for the past 15 years the land adjacent to unit 7 has been used as a yard for various things during this period. It has been used for building reclamation, lorry yard and cars.

Yours Faithfully
Paul Meaney.

With refence to Yard/Quarry on EFI Industrial estate, I can confirm it has been used as Haulage yard, storage yard for cars, vans etc as over last 17 years I have been going there to do hydraulic repairs.

It has been the same and never changed over the years.

Your Faithfully

P O'Connor

Operations Manager
