Dear Sir/Madam,

Grid Ref: SO047071 304718 207171

Site: The Rose Retreat Spa, Cyfarthfa Park, Merthyr Tydfil

Development: Erection of single storey extension, timber screen and patio with canopy.

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

We would request if minded to grant planning consent, that the following Condition and Advisory Notes are included to ensure no detriment to existing residents or the environment and to Dwr Cymru Welsh Water's assets:

Condition

No surface water from an increase in any impermeable surfaces from the development hereby approved shall drain directly or indirectly to the public sewerage system.

Reason: To prevent hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of or detriment to the environment.

Advisory Notes

The applicant is also advised that some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water to establish the location and status of the apparatus. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

In accordance with Planning Policy Wales (Edition 12) and Technical Advice Note 12 (Design), the applicant is advised to take a sustainable approach in considering water supply in new development proposals, including utilising approaches that improve water efficiency and reduce water consumption. We would recommend that the applicant liaises with the relevant Local Authority Building Control department to discuss their water efficiency requirements.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.
