Subject: Public Health comments - P/20/0287

Hi Caroline,

I have reviewed the application and recommend the following condition:

1. Works to erect the sign shall not take place outside the hours of 08:00 to 18:00 Mondays to Fridays and 09:00 to 14:00 on Saturdays and shall not be carried out at any time on Sundays or Public Holidays.

Reason: In the interests of local amenity and to avoid statutory nuisance.

No further comments.

Kind regards

Lucy Marley
