Dear Sir/Madam,

Grid Ref: SO065086 306560 208632

Site: Red Barrel House, Pant Road, Merthyr Tydfil

Development: Underground surface water sewer (SWS) pipe work (amendment to SWS pipe route approved under P/21/0364)

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

Having previously discussed the proposal in detail with the applicant, we note that the surface water sewer will remain in private ownership, and therefore offer no objection to the proposed surface water sewer.

The applicant is advised that some public sewers and lateral drains may not be recorded on our maps; some sewers were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal the applicant may contact Dwr Cymru Welsh Water. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.

If you have any queries please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com

Please quote our reference number in all communications and correspondence.
