

- GENERAL NOTES
1. Do Not Scale
 2. The contractor is to check and verify all buildings and site dimensions and levels, including power inlet levels, before works start on site. The contractor is to comply in all aspects with the current building legislation, British Standards, building regulations etc.
 3. Positions of existing services/utility undertakers apparatus adjacent to or crossing proposed excavations are to be checked by the contractor prior to starting work
 4. This drawing is to be read in conjunction with and checked against all other drawings, Engineering Details, Specification and any structural, geotechnical or other specialist document provided.
 5. Any anomaly or contradiction between any of the above is to be reported to WDL Homes.
 6. Layout shown preliminary subject to approval and therefore subject to change.
