Description of the Proposal

Description

Please describe the proposed development including any change of use

During Storm Dennis in February 2020, a significant amount of debris built up against Feeder Pipe Bridge, lifting the footbridge off the supporting piers. The superstructure of the footbridge was subsequently demolished in October 2020.

This planning application is for the permanent replacement of the bridge structure and associated temporary work requirements.

Has the work or change of use already started?

☐ Yes

☒ No

Existing Use

Please describe the current use of the site

Bridge structure (piers and abutments) remain in place with the channel of the River Taf, that support three redundant 900mm pipes.

Is the site currently vacant?
