Dear Sirs,

Grid Ref: SO082089 308253 208918

Site: Kepak Group Ltd, Pengarnddu Industrial Estate, Dowlais

Development: Installation of a 6.2WM containerised ground source heat pump system with associated 40 no. 100 deep boreholes.

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

The proposal does not involve a new connection to a public sewer therefore, we have no comments to make.

Our comments are given on the basis of the information provided. We would expect to be re-consulted if there is any change in the proposed means of foul and/or surface water disposal.

We would also be grateful if you should provide the developer with the following advisory note:

Advisory Note

The planning permission hereby granted does not extend any rights to carry out any works to the public sewerage or water supply systems without first having obtained the necessary permissions required by the Water industries Act 1991

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.

If you have any queries, please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com

Please quote our reference number in all communications and correspondence.

Yours faithfully,
