A. Revised front/rear/side elevations - 19.12.24

NOTE: Bat + bird boxes to be integrated within wall structure

The image contains two architectural drawings. The top drawing is the 'PROPOSED FRONT ELEVATION', showing a three-story building with a new timber shop front at the ground level, glazed bricks, and various window types including timber windows, historic murals, and existing render to be painted. The bottom drawing is the 'PROPOSED REAR ELEVATION', showing a three-story building with a green wall, bat boxes, and a red vintage car parked in front. A 'Green Wall' label points to the green wall area.

PROPOSED FRONT ELEVATION

PROPOSED REAR ELEVATION

A historical black and white photograph of the street scene, showing the building's facade and the street layout. The photograph is oriented horizontally on the page.

A modern color photograph of the street scene, showing the building's facade and the street layout. The photograph is oriented horizontally on the page.
