Description of the Proposal

Description

Please describe the proposed development including any change of use

I currently own a residential property, 13 Argyle Street, which at present is unoccupied. My daughter is currently self employed s a fully qualified beautician. Renting a room from a salon based in Merthyr. We are looking at moving my daughter into the property and running her business from the home also.

She is fully qualified and does therapies such as Lashes, nails, waxing etc.

There would be no additional employees.

She has a good customer portfolio that she carries out the above treatments on a regular basis by appointment only. All her customers are the same continuously who arrange appointments weekly with her.

There would be only 1 customer visiting the property each time and will only be her carrying out the treatments.

There is rear parking at the property which allows her or her customer to park, thus not causing any disruption to surrounding neighbours.

There are no property adjustments required other than furnishing the beauty room where she will carry out the treatments. .

There would be no noise or disruption to the surrounding residents or parking against other properties.

Has the work or change of use already started?

- ☐ Yes
☒ No

Existing Use

Please describe the current use of the site

The home is currently unoccupied residential home, owned by my family. It is vacant with a view of my daughter operating her beauty business from the home in question.

Is the site currently vacant?

Details of the pre-application advice received

The proposal is acceptable in principal and no concerns have been raised. Advisory to discuss our proposals with local residents , which we have now conducted, all of which were fine. Material planning considerations in respect to impact on residential amenity and parking. There are no alterations required to be carried out the property to conduct this business.
There is rear parking at the back of the property where either my daughter or customer will be able to park, which reduces any parking concerns for immediate neighbours.
